They started breeding Persians in 1972, and later included Exotics, American Shorthair and Scottish Folds in their breeding programs. They both have long-term memberships in Lewis & Clark Cat Club of Portland, Oregon since 1972 and have been active in producing a number of shows throughout the years. They registered RAINCOUNTRY Cattery in 1973.

Kit is used to handling other breeds included Persian, Exotic, Maine Coon, Ragdoll, American Curl, British Shorthair, Oriental Longhair.

Besides being a cat lover, he also loves musicals, photography, and travel.

## **MARGARET SIM** **CCCA, Australia.**

I have always had cats, firstly moggies then my father bred seal point Siamese. I met a pair of Burmese in the early 1970's and fell in total love with them, specially the blue Burmese.

When I settled down in Sydney I went in search of a Blue Burmese and ended up with a lilac and chocolate – they converted my partner Don to cats and in particular Burmese. He in turn converted me to Labrador Retrievers.

We moved out of the city to Moss Vale, we had space and time so I commenced breeding and showing in 1987 under the prefix BIMA. I breed all colours of Burmese and love them all but my favourites are blue, red and blue tortie.

This led to stewarding which gave me a love of many other breeds and in 1994 I commenced a judging course. I completed Group 2 in 1996, Group 3 in 1998 and in 2009 completed Group 1. I have judged in most states of Australia as well as in New Zealand.

I have been involved in clubs as club secretary, committee member and am currently President of the Burmese Cat Society of Australasia. I have experience as show manager as well as working in card rooms and trophies, also lots of experience setting up and pulling down shows.

In my other life I am a registered nurse and midwife and currently work in a neonatal nursery. I have experience in management, aged care, education, women's health, aboriginal health, community health and paediatrics. My other interests are gardening, patchwork and quilting.

## **NIKKI JAMES**

### **CCCA, Australia**

I come from a family of cat lovers and therefore have always had a cat to curl up on my lap since my childhood. I developed a love for the elegant and talkative Siamese as a teenager, and when I was 15 acquired my first red point male, Conan in 1990. I showed him as a member of the RAS Cat Control for 2 years and he sired a few litters with my mother's seal point female under her prefix ERONEL. I returned to the cat fancy in 2005 showing a beautiful blue point female as a member of the NSW CFA. I started my breeding journey with her in late 2005 when she had a wonderful litter of 6 kittens from an Oriental stud under my prefix ZOEL. I still have a neuter boy, Zeus from that first litter who enjoyed many years on the show bench. My late mother also enjoyed participating in the cat fancy as a member of the NSW CFA and accompanied me to most shows, initially showing a black Oriental neuter Romeo; he was also born in my first litter, and later exhibiting some other beautiful show neuters she spoilt over the years. I am proud to have achieved many Top 5 cat of the year awards and have had the honour of breeding a Supreme Exhibit.

I continue to breed Siamese and Orientals and remain active in the cat fancy as an exhibitor and worker. I qualified as a steward in 2007. I have a small cattery and breed my kittens for health, temperament and show quality. Currently my cat family consists of 5 felines.

I have been a member of the Oriental Cat Club of NSW for many years, previously assisting as show manager and serving on the board as club treasurer, a position I still hold.

I attained my probationary shorthaired Judge's license in 2015. I consider myself privileged to admire, handle and judge the show exhibits and I have developed an appreciation of the diversity of exhibits in Group 3.

In my normal life I am a mother to 5 children, with 3 boys still living at home ranging in ages from 17 to 5 years who keep me busy and our cats entertained. I am halfway through studying for a Bachelor degree in Midwifery at UTS. Living and growing up on the Northern Beaches I usually spend most of the summer as a beach bum, reading a good book, when not attending cat shows!

## **TROY WILLEMS**

### **CCCA, Australia**

Throughout my childhood my family had always had pets, we always had dogs and cats and on occasion guinea pigs, birds and tropical fish also. Our cats were always moggies and our dogs always cross breeds - it didn't matter to us as we loved them all.

I was born and bred in Queensland spending the majority of my childhood in Central Queensland and my late teenage years and early adulthood in South-East Queensland. I relocated my young family to Victoria in May 2005 due to work commitments.

In late 2005 I stumbled across an article on the Bengal breed and instantly fell in love of the idea of a domesticated hybrid with Asian Leopard Cat links. I did some further research into the breed and knew that I had to have these magnificent cats in my life. I joined the FCCV in early 2006 as a breeder under the VOODOOCATZ prefix and secured my first breeding pair shortly thereafter. I started showing my seal mink marbled male in late 2006 but unfortunately he didn't quite have the right temperament for the show bench and he was retired from the show bench early on. My next home bred show cat Voodoocatz Khanji was the complete opposite of his father and absolutely loved every minute of every show whether being judged on the show bench, waiting patiently in his show cage or getting out to meet the public after judging was completed. Khanji had a very successful show career also making his way to CCCA Champion and Emerald Grand Champion status.

I had become a judging steward with the FCCV and thoroughly enjoyed my time working with some wonderful judges both domestic and international. An opportunity arose to undertake the Group 2 & 3 judge's courses with the FCCV. I put forward my application and was accepted into the course. I really enjoyed the course and all of the trainee judging assignments.

I obtained my open judging license for Groups 2 & 3 in January 2017 and I love getting around to judge shorthaired cats all over the country.

## **CHERYLE ST CLAIR-NEWMAN**

### **NZCF, New Zealand**

Showing, breeding, judging -- it all started for Cheryle when she attended an All Breeds cat show in the late 1960's. This was the beginning of her interest in longhair pedigree cats.

In 1976 she was granted her prefix under the name of TANIVER, and then began the quest to breed Persian solid, dilute and smoke colours. She has continued with the development of the smoke line and is proud of her achievements with this difficult breed (a colour that has caused many interesting discussions). She has only ever had a small select breeding cattery and it is now even smaller with her energies and care going into looking after other peoples loved cats at her very successful boarding cattery.

When she is not in the cattery the rest of her time is spent preparing and training miniature horses for showing and harness which she very much enjoys.

In 1986, Cheryle attained her Longhair Judging Licence. In 1997 she was admitted to the Longhair training panel, where she presently holds the position of Senior Longhair Tutor Judge.

At present Cheryle has stretched her interest by training for her All Breeds licence.

## **LYALL PAYNE**

### **NZCF, New Zealand**

I have been actively interested in purebred animals and poultry, and pedigrees since my early school days. As a youngster I keenly bred purebred Minorca poultry and also ran Black Orpington and bantam breeds.

Years later, as I gained an interest in genealogy, I was to learn that my great grandfather, W A Sowman of Blenheim was a major breeder and significant judge of poultry.

I had a near neighbour and mentor in Stan Derbyshire, who instructed me not only in the practical husbandry aspects of poultry-keeping but also the finer points of structure and breed characteristics.

Prior to leaving school my interest turned to afghan hounds where my passion for exhibiting, breeding, and intense breed pedigree knowledge grew. I enjoyed a good deal of success having set the record of owning and breeding more Specialty Best in Show winners than any other. A record that stood for many years. I maintain my canine interests through regular judging and also participation in online discussion groups on the afghan hound breed.

In 1992, we acquired our first Birmans, who literally 'came with the house' when the property was purchased from Peter Pearce who had been a fellow breeder and exhibitor of afghan hounds. At the same time we met and were excellently mentored by Janice Davey and Margaret MacDougall.

The breeding was done under Val Richard's TAJOMEER prefix until 2006 when I registered CHALFONT, named after Chalfont St Giles in Buckinghamshire, England, the village where generations of my Payne family predecessors lived.

I maintain an avid interest in Birman pedigrees, breeding and exhibiting along with my passion for judging and interpreting standards 'hands on'.
